

Etlund Premier Series NSF Stainless Portion Scales

Our most popular and affordable line of portion and receiving scales is now our most extensive line of NSF Certified models. Available with standard or oversized platforms, dashpots for faster readings and U.S. measure, metric or combination capacities, every scale offers quality stainless steel construction that's easy to clean and won't rust.

- Stainless steel inner mechanism and spring
- Deluxe models feature air dashpot shock absorbers which reduce pointer bounce for instant readings

- Stainless steel platforms are available in two sizes
- Rustproof

- NSF Certified
- Made in U.S.A.
